

DUTCH BONE

A place to warm your soul

2023 COLLECTION

WHO ARE WE?

Dutchbone was born in 2014, responding to the need for cosy home interiors. Especially for the adventurous, people with stories to tell and the wild at heart. People who love hosting dinner parties for friends and family, or who just want to curl up with an inspiring book or classic film. So we believe home should be somewhere cosy – a place to warm your soul. We create that warm atmosphere through well thought-out products, inspired by times gone by. High-quality furniture, lighting and accessories brimming with character. Often handcrafted, with slight imperfections to lend a touch of authenticity. A place to warm your soul.

All new products are part of the Fall/Winter collection, hitting stores as of 27 September 2023.

SUSTAINABILITY

Dutchbone is part of the Zuiver Group, a family of interior brands, driven by our desire to make spot-on interior products available to everyone. As a frontrunner in the furniture design field, we feel it's our responsibility to minimise our environmental and social footprint by exploring alternative materials and production methods. 'Spot on Responsibility' is our internal strategy that was introduced in 2019 in order to transform how furniture is made and (re)used. It outlines the actions we

are taking to move our business, and the design industry as a whole, towards a more innovative and responsible future. We do this because resources are limited and for us, taking action on climate change and recognising human rights are non-negotiable. Every single product we design and sell has some connection to natural resources. We are ready to make new choices in order to treat our planet with the utmost respect and to minimise our company's social and environmental footprint.

FRANKY SERIES

Enjoy good food, good wine and great stories with the Franky series. The upholstered shell is shaped to the body and has a comfortable seat. Perfect for hours of dining, but also ideal for working. The striking - baseball inspired - stitching also gives the shell a subtle vintage edge, while the slender legs provide some airiness. As a result, the Franky chairs and bar stools look great anywhere in your home and fit in with almost any style. Perfect for lived in interiors!

CLASS SERIES

We don't need to explain why the Class series was given its name. The warmth of the acacia wood veneer goes perfectly with the stylish brass base. Together, the materials create a high-end look that instantly adds atmosphere to any room. The inlaid herringbone pattern also gives the pieces a unique twist. Pure class and quality, giving your interior a major upgrade!
